## AMERICAN CHORAL DIRECTORS ASSOCIATION

Founded in 1959, the American Choral Directors Association (ACDA) is a nonprofit music-education organization whose central purpose is to promote excellence in choral music through performance, composition, publication, research, and teaching. In addition, ACDA strives through arts advocacy to elevate choral music's position in American society.

### ACDA ADVOCACY RESOLUTION

**Whereas**, the Human spirit is elevated to a broader understanding of itself through the study and performance in the aesthetic arts, and

**Whereas**, serious cutbacks in funding and support have steadily eroded state institutions and their programs throughout our country,

**Be it resolved** that all citizens of the United States actively voice their affirmative and collective support for necessary funding at the local, state, and national levels of education and government, to ensure the survival of arts programs.

### MESSAGE FROM THE SOUTHWEST REGION CHAIR

After last year's response to the first Mucho Macho Music Festival, it was obvious that this event was meeting the interest and needs of many of our Southwest region members. We are pleased to have some returning directors as well as new members that are bringing their students to this event. It is all about the process with middle school age voices. I am confident that we will all learn and be inspired by David Deitz today. His outstanding ensembles at Central Dauphin and years of festival conducting speak volumes about his work as a choral musician. We are so pleased that Dave is here for Mucho Macho Music II.

This is a team effort with Dr. Robin Lind and the Westminster College Men's Chorus as well as Shaun Cloonan, our festival host. Collaborating with Robin and Shaun has been inspiring and fun. Our "short" meetings often became wonderful choral brainstorming sessions as well as Mucho Macho planning. I am thankful for their work on this project. Many thanks to the North Hills School District for their generosity and wonderful facility. We would like this event to continue to grow, involving many more jr. high/middle school choral directors and their students in the coming years. Enjoy the day and thank you for preparing your students for this musical experience.

On behalf of the 2005-2007 ACDA-PA Board, Thank you.

## O. DAVID DEITZ, GUEST CONDUCTOR

O. David Deitz holds a Bachelor's Degree in music education from Mansfield State College, where he was selected to the Music Alumni Honor Roll, and a Master's Degree in Teaching and Curriculum from Penn State University where he is currently a doctoral candidate in Music Education. A 1999 finalist for Pennsylvania Teacher of the Year, Mr. Deitz teaches choir, music theory, piano and guitar classes at Central Dauphin High School in Harrisburg, Pennsylvania. He recently served as interim choral director at Bucknell University (replacing Dr. William Payn during his sabbatical semester). A frequent clinician, adjudicator and guest conductor, Mr. Deitz currently serves as Past-President of the Pennsylvania Chapter of the American Choral Directors Association and was featured in the Fall 2004 issue of Choral Director magazine.
